

No-Knife Face

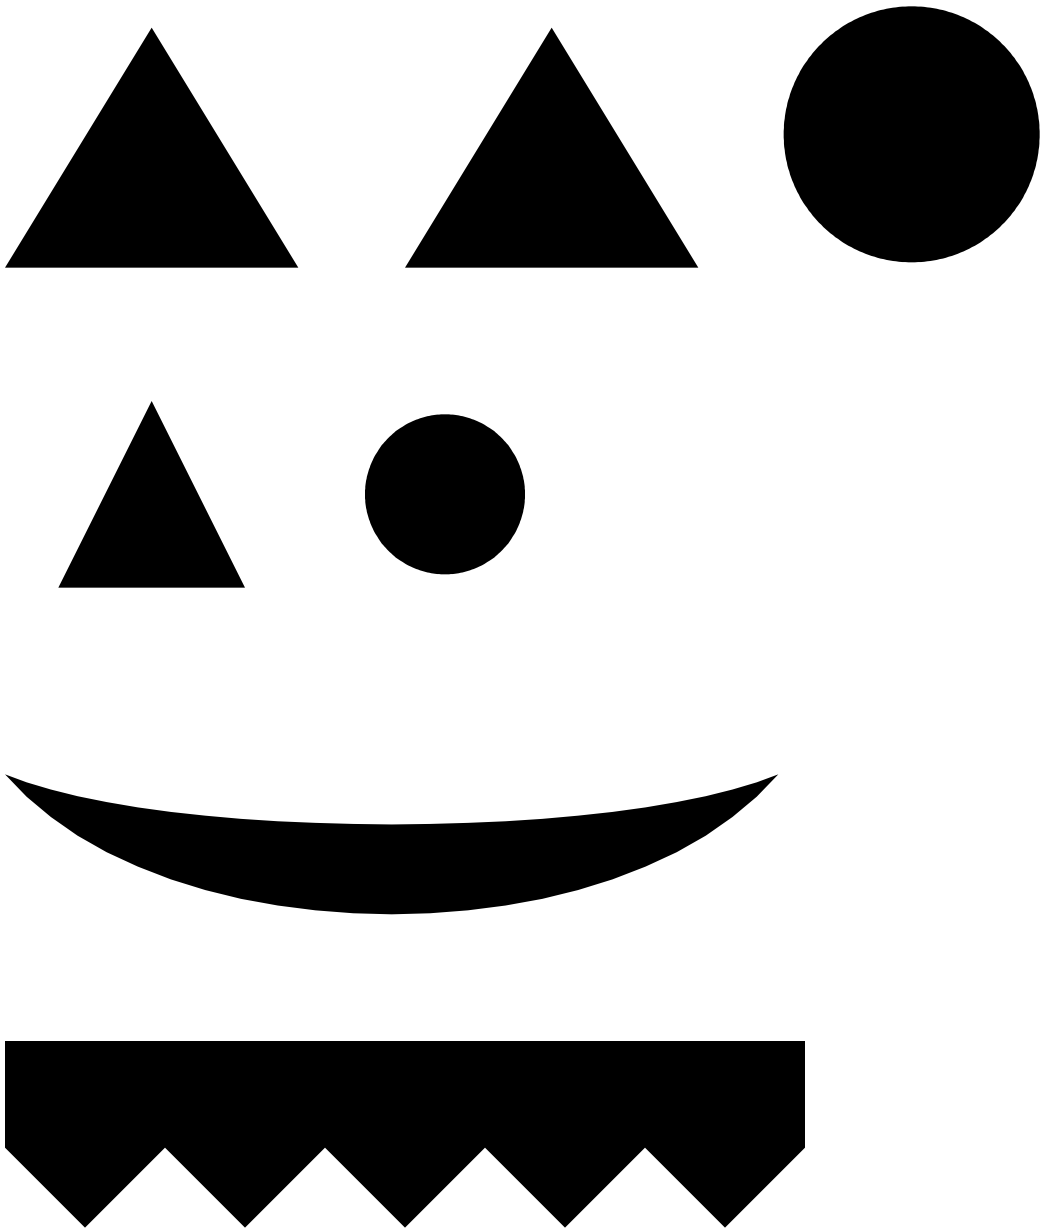

LITTLE KIDS

LITTLE KIDS (NO KNIFE)

Print at Actual size (100%)

No carving. Cut out each feature on its outer line, then tape it on a pumpkin.

To transfer: tape the page on, poke along the lines with a pushpin or toothpick, remove it, connect the dots.

YOU'LL NEED

Scissors + tape

Paint it instead: Paint the same features in black acrylic instead of cutting paper

■ cut (glows bright)

■ shave (soft glow)

2 inches. Measure this after printing; if it isn't 2", reprint at 100%.

Grown-ups do the cutting.

No-Knife Face

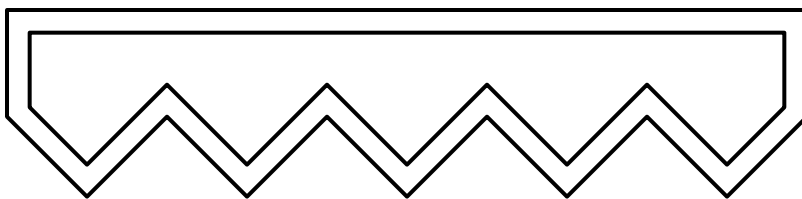

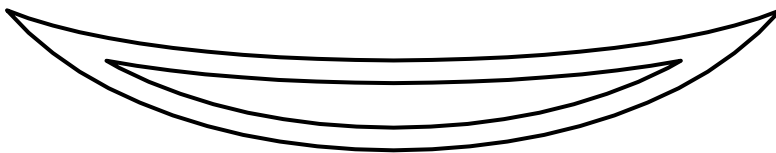

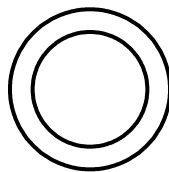

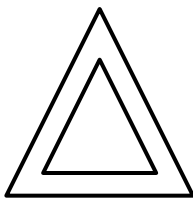

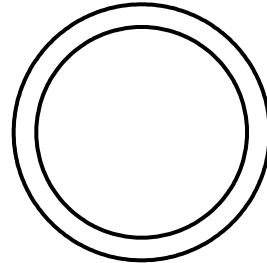

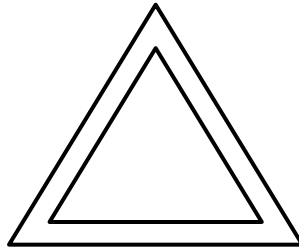

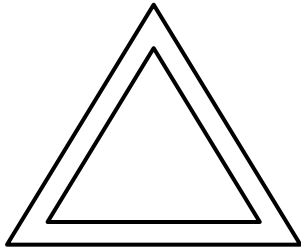

LITTLE KIDS

LITTLE KIDS (NO KNIFE)

Print at Actual size (100%)

Tracing page (ink-light). Cut the paper along the outer line, tape it on, then trace the double outline.

To transfer: tape the page on, poke along the lines with a pushpin or toothpick, remove it, connect the dots.

The knife goes in the band between the lines.

Grown-ups do the cutting.

Solid double line = cut through. Dashed double line = shave only.

2 inches. Measure this after printing; if it isn't 2", reprint at 100%.
